### **North Carolina Association of Health Underwriters Qualifies for Blue Ribbon of Excellence**

(Arlington, VA) – The National Association of Health Underwriters (NAHU) is proud to announce that the North Carolina Association of Health Underwriters has qualified to receive the Blue Ribbon of Excellence Award. The award will be presented during the National Association of Health Underwriters 83rd Annual Convention in Atlanta, GA.

The official announcement from NAHU stated: “Congratulations! North Carolina has earned the Blue Ribbon of Excellence. This recognition means that the state chapter and all its locals are currently Silver or Gold Certified. You are part of the elite. Congratulations and thank you for all your hard work!”

NAHU's Chapter Certification Program is an ongoing program that recognizes excelling chapters all year long. Recognition is based on criteria satisfaction in various areas. To earn the Blue Ribbon of Excellence, every chapter within the state needs to qualify for the Silver, Gold or Platinum Certification. Silver Certification is met by satisfying at least six of 14 criteria, nine for Gold and all 14 for Platinum.

“The Blue Ribbon of Excellence is bestowed upon states that have demonstrated developmental excellence in local areas, nationally and in the health care industry,” said NAHU CEO Janet Trautwein. “The volunteers in every chapter within North Carolina met our expectations and far exceeded them.”
